

# SPONSORSHIP FACT SHEET

2017  
CHARLESTON  
YOUTH SUMMIT

## WHEN & WHERE

December 9th | 10:00 AM - 3:00 PM

Address: 4750 Abraham Ave. North Charleston, SC

## DESCRIPTION

The Charleston Youth Summit puts our students in the forefront and gives them the opportunity to surface their voices to overcome challenges together. With the help of sponsors, a committee of students attending different schools throughout the tricounty have planned and organized a free forum open to students in the 7th through the 12th grades from all areas and backgrounds. A forum where they can express their concerns about the issues important to them: Political views, relationships, life purpose, and breaking religious stigmas. A day of learning from and sharing with each other wrapped up in a day of entertainment, fun, and prizes. Education is an issue close to the heart of the organizations that have helped sponsor this event.
